**This information is accurate on the date of your application and initial purchase. If any of this information changes you will be notified at least 30 days prior to any change and how to contact us regarding any change.**

\* The APR on your account will be raised to 21% if you make any payment more than 30 days late. Iowa residents will receive 60 days notice and Ohio residents will receive 30 days notice prior to the increase. This rate does not apply in the following states: Arkansas, Connecticut, Delaware, Florida, Illinois, Kansas, Louisiana, Maine, Massachusetts, Michigan, Minnesota, Nebraska, North Carolina, Oklahoma, Pennsylvania, Rhode Island, South Carolina, Texas.

1. **GENERAL:** If your credit application is approved and we open a revolving credit account for you, you may purchase household goods and services on credit from the dealer where you opened your account. Purchases are pursuant to a revolving credit sales slip and you agree that all sales are subject to the terms of this Agreement.

2. **PROMISE TO PAY:** You agree to pay for all purchases made on your account, finance charges, and other applicable charges or fees under this Agreement incurred by you or anyone you authorize or permit to use your account. If this account is a joint account, each joint account holder agrees to pay, and all account holders are jointly and severally responsible for all amounts owed on the account. If your account is referred for collections to an attorney who is not our salaried employee, you agree to pay reasonable attorney fees and reasonable collection costs to the extent allowed by law in your state. If your state does not allow attorney fees (IA, ME, OH, and WI), you agree to pay any statutory attorney fees and costs that may be awarded to us by a court of law.

3. **CREDIT LIMIT:** We set a credit limit on your account which we may modify at any time for

any reason not prohibited by law. You may not charge purchases if it causes you to exceed your credit limit unless we allow such purchases. You agree to pay all amounts over your credit limit plus an over-limit fee if allowed in your state. Over limit fees are: \$10 in Oklahoma and South Carolina, \$15 in Iowa and Texas, and \$25 in all other states except for California, Delaware, Florida, Illinois, Indiana, Maine, Massachusetts, Minnesota, Missouri, Nebraska, New Jersey, Oregon, Pennsylvania, and Washington. We may elect to waive the fee for your first purchase.

4. **BILLING STATEMENT:** We will mail you a statement each month you have an account balance greater than \$1.00 at the address we have in our records. This statement will show credit purchases, late charges, NSF fees, over limit charge, previous balance, new balance, payments received, credits, **FINANCE CHARGES**, minimum payment due, and payment due date.

5. **MINIMUM MONTHLY PAYMENT:** All payments, except disputed payments, must be mailed or delivered to the Payment Processing Center address shown on your monthly billing statement. All payments must be made by electronic fund transfer, check or money order. Do not send cash. Cash or other nonconforming methods of payment may be rejected. We may accept partial or late payments or checks marked "payment in full" or other restrictive endorsement without losing our right to receive the full amount owed. Your billing statement will include requirements for you to follow in making payments. Disputed payments, including those which indicate that the payment constitutes "payment in full" of the amount owed, must be mailed or delivered to the Customer Service address listed below. You agree to pay us at least the Minimum Monthly Payment reflected on your statement. You may pay more than the Minimum Monthly Payment and you may pay the entire amount due at any time. The Minimum Monthly Payment is calculated at the end of the first month in which you make a purchase, and will be calculated each month in which you make an additional purchase. Your Minimum Monthly Payments will be between 2% and 5% of the "Highest Monthly Charge" balance since your Monthly Charge Balance was zero, less any Special Payment Plans as shown on your billing statement rounded to the next higher dollar, or \$15, whichever is greater. You agree that any payment may be returned if your check is (i) not drawn in U.S. dollars on funds on deposit in the U.S.; (ii) missing a signature; (iii) drawn with different numeric and written amounts; (iv) contains a restrictive endorsement; (v) postdated; or (vi) not paid on presentment.

6. **ELECTRONIC FUND TRANSFER:** When you provide a check, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the transaction as a check. When we use your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you may not receive your check back from your financial institution. If there are insufficient funds in your account you authorize us to charge an NSF Fee as indicated below and collect that amount through an electronic fund transfer from your account.

7. **PREPAYMENT:** You may pay your entire account balance at any time without penalty. If you do not pay the entire balance in full, you must make a minimum payment each month by the payment due date that appears on your billing statement. Under federal law, we are not required to refund any amounts less than \$1.00.

8. **FINANCE CHARGE:** Finance charges begin the date a purchase is posted to your account and accrue as long as your account has a balance, except in states that have a mandatory grace period. The **FINANCE CHARGE** is calculated by (i) taking each daily balance, (ii) multiplying that daily balance by the applicable daily periodic rate, (iii) adding together the resulting amounts for each day in the billing cycle. The total periodic **FINANCE CHARGES** for the billing cycle is the sum of the periodic Finance Charges for each purchase type rounded to the next highest cent. Any Daily Balance less than zero will be treated as zero. A minimum **FINANCE CHARGE** of \$0.50 is added to your account in any billing cycle that your account is subject to a finance charge, except in states where prohibited by law. You have a 25-day grace period in Louisiana, Maine, Mississippi, North Carolina, and a 30-day grace period in Nebraska and Vermont.

9. **DEFAULT:** You are in default if: (a) you fail to make a required payment when due on two occasions in any 12 month period; (b) you fail to observe or perform any of the other covenants or duties contained in this Agreement if the failure materially impairs the condition, value or protection of our right in any Collateral, or materially impairs your ability to pay any amounts on your billing statement when due. You will receive a Notice of Right to Cure in the following states: Colorado, Iowa, Kansas, Maine, Massachusetts, Nebraska, Pennsylvania, and Wisconsin. If you fail to cure within the time allowed in your notice or within 30 days if you live in a state with no notice requirement, we may accelerate your balance.

10. **SPECIAL CREDIT PROMOTION PLANS:** We may occasionally offer special credit promotion plans for you to participate in at your option.

11. **LATE FEE:** If your payment is more than 10 days late (15 days in Maine,

Massachusetts, Idaho, or South Dakota), you may be charged the fee indicated for your state of residence. The late fee is added to your account balance.

## Your Billing Rights. (Keep this Notice for Future Use.)

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

**Notify us in case of errors or questions about your bill.** If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address listed on your bill. Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

1. Your name and account number.
2. The dollar amount of the suspected error.
3. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

If you have authorized us to pay your credit card bill automatically from your savings or checking account, you can stop the payment on any amount you think is wrong. To stop the payment, your letter must reach us three business days before the automatic payment is scheduled to occur.

**Your rights and our responsibilities after we receive your written notice.** We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we did not make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due. If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is. If we do not follow these rules, we cannot collect the first \$50 of the questioned amount, even if your bill was correct.

### Special Rule for Credit Card Purchases:

If you have a problem with the quality of property or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right:

- (a) You must have made the purchase in your home state or, if not within your home state, within 100 miles of your current mailing address; and
- (b) The purchase price must have been more than \$50.

These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services.
