

# New Dealer Portal

A simpler, faster, better way to do business with Aqua+

Introducing Aqua's new, modern, and easy to use dealer portal, built to simplify the point-of-sale experience and help dealers close deals with greater speed and confidence. Designed to reduce friction across the deal lifecycle, the new portal supports clearer workflows, faster funding, and scalable growth.

## Close deals faster

Streamlined workflows help deals move forward with fewer obstacles. The new portal is designed to support faster approvals, clearer visibility, and a smoother experience from application through funding, so you can spend less time navigating systems and more time selling.

### What it means to a dealer:

- Fewer steps to submit a deal
- Faster approvals at the kitchen table
- Clear visibility into what's needed to fund

## Compete more effectively

The new portal enhances Aqua's direct program with greater flexibility and consistency across markets. Expanded program options and simplified requirements help you stay competitive while supporting efficient growth across locations and states.

### What it means to a dealer:

- More flexible programs for more customers
- Fewer hurdles for qualified buyers
- Consistent experience across markets

## Built for how dealers work today

The new portal delivers a clean, modern portal experience that's easy to navigate and built to evolve with your business. Mobile-friendly access and ongoing enhancements ensure the platform continues to support your needs over time.

### What it means to a dealer:

- Easy to use, modern portal
- Works wherever you sell — home, office, or job site
- Designed to grow with your business

Additional enhancements are underway as we continue to expand and evolve.

Everything our new dealer portal does is designed to help you sell more, move faster, and grow smarter with Aqua+.
